

MEETING

Welcome to Meetings at the Victoria Hotel Woodend, where we've turned the mundane into the easy for the organiser and your clients in either of our function rooms.

Whether you're leaning towards the panoramic views from our Mountain View Room, ideal for gatherings of 10 to 60 people, or the intimate charm of our Thorburn Room, max 12 people, we've got you covered. Both rooms boast the latest amenities, including large screen TVs HDMI ready, dedicated internet access & whiteboards to fuel your creativity.

Our dedicated staff are here to ensure that your every need is met – from setting up the perfect presentation to making sure your coffee cup is never empty. We pride ourselves on offering more than just meeting spaces; we're here to create an experience tailored to your client's unique requirements.

Dine in style in our charming dining room or, if you're in the Mountain View Room, enjoy your lunch at a separate table, allowing you separate from the meeting buzz. You will also have access to our amazing wrap around balcony so you can grab a break of fresh air.
